LEPER PATIENT CLINICALLY WELL

Treatment of Dr. Wayson
Has Wonderful
Effect

After two years of experimenting, Dr. J. T. Wayson has demonstrated that he has found what is probably the nearest to a cure for leprosy that has yet been exploited in these islands. The treatment which Dr. Wayson is experimenting with, has so far improved one man at the Kailhi receiving station, the he is now in a condition, according to Dr. Wayson and President Mark P. Robinson, to return to his home, and this he will be allowed to do if the Attorney General, to whom the question has been referred, decides that the Board of Health has the power to give him his freedom without a re-examination.

The patient is a Hawaiian, and was carried to the receiving station on a stretcher two years ago in a very bad condition. His left leg was paralyzed, and one of his arms was in such a bad condition that it was found necessary to amputate it. Almost immediately after the amputation, under the treatment of Dr. Wayson, the condition of the man began to improve, and he is now no different in exterior appearance from any other man. Dr. Wayson states that the man would pass a clinical examination for the disease, but he is not certain about a bacteriological examination. At any rate, he is so much improved that Wayson states he would pass quarantine in Honolulu and San Francisco.

The request to allow the patient to return to his home without re-examination has been referred to the Attorney General for his opinion on the legality of such action, and a report will be made at the next meeting.

FAREWELL DINNER BY MR. DESPLACE

Mr. Desplace of Queensland, who has been visiting the islands for some weeks, gave a farewell dinner at the University Club last evening to a party of friends composed of Judge Dole, George Ross, A. R. Gurrey Jr., Edward Armitage, Ranney Scott, Noel Deer, and J. P. Cooke.

The table was decorated with sprays of fern, rosebuds, and carnations with small flags of America, Hawaii, and England for souvenirs for the guests. The menu was a work of art and the menu cards were a very artistic arrangement of the Territorial flag of Hawaii and the state flag of Queensland on a card decorated with the green of growing cane.

A very pleasant evening was enjoyed and the party afterwards went to the theater.

ANOTHER HIGH WAGE RESOLUTION PASSED

A resolution demanding the increase of wages of Japanese plantation laborers was adopted last night at a mass meeting, held under the auspices of the Japanese Higher Wages Association in the Ouchi camp at Makiki. A copy thereof will be sent to the Planters' Association. The attendance was very large, there being, it is said, about 1500 Japanese present.

The speakers were the officers of the Association and they addressed the audience in the open-air arena. The meeting throughout was enthusiastic and the speakers were loudly applauded. Among the speakers were Fred K. Makino and M. Negoro, respectively president and secretary of the association.

Some of the officers of the High-wage Association stated today that the other two Japanese newspapers, the Hawaii Shimpo and the Hawaii-Japanese Daily Chronicle, were taking a hand in the high-wage movement, because they were compelled by the subscribers.

Editors Sheba of the Hawaii Shimpo and Y. Kimura of the Hawaii-Japanese Daily Chronicle yesterday afternoon interviewed J. P. Cooke at the office of Alexander & Baldwin about the high-wage proposition. The interview was rather lengthy.
